

YOUR CORPORATE GUIDE TO STONEHAVEN GOLF CLUB

Stonehaven Golf Club overlooks the North Sea and the harbour town of Stonehaven. Just 15 miles south of Aberdeen and 5 miles from the new town of Chapleton of Elsick. It is easily accessible by road, rail and air, lying in the gateway to Royal Deeside, one of Scotland's most popular tourist areas.

Though the 18 hole course is short (par 66 and 5103 yards), it sets a stiff challenge for all standards of golfer.

Stonehaven Golf Club has a variety of memberships available for full, five day and junior members, with substantial discounts available for all categories.

Keen on joining? Try the course first, and if you join we will refund your green fee. We have been entertaining visitors for over 125 years and are proud of our reputation as a friendly, welcoming club. We are well used to catering for individual golfers, small groups and golfing societies.

Our clubhouse provides a well stocked bar and home cooked food for you to enjoy after your round, whilst enjoying superb views from the clubhouse.

Are you looking for an intimate venue for a special occasion? Our clubhouse and dining room are available for hire.

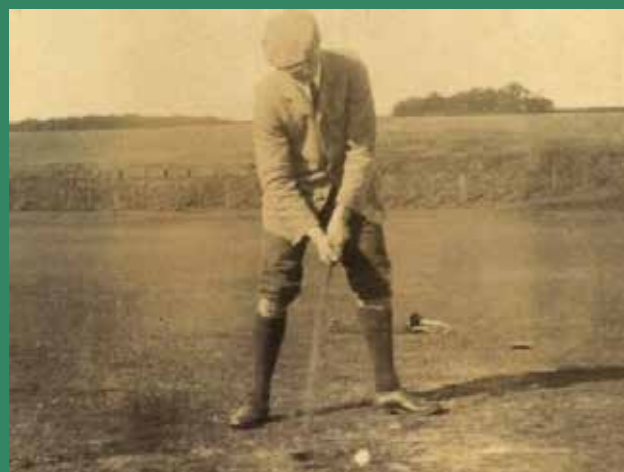

OUR HISTORY

Stonehaven Golf Club was founded on Friday, April 13 1888, and the first clubhouse was opened in June 1889. The original chimney stack still stands by the 7th tee. At that time, the course had ten holes, reduced to nine a year later, and it was not until July 7 1897 that the "new" course and clubhouse on the present site was opened.

For a short time, the professional was George Duncan, who later won the Open Championship in 1920 and who played three times in the Ryder Cup team, being winning captain in 1929.

Also to grace the fairways was another (5 times) Open champion, the legendary James Braid, who played a challenge match on August 18 1906 against his nephew and twice Open Championship runner-up Archie Simpson, the professional at Royal Aberdeen. Afterwards, Braid and Simpson planned improvements to the course.

A much less welcome visitor called in August 1940, when a German aircraft fleeing home after a raid, dropped a bomb on the course only a hundred yards or so from the clubhouse. The crater it left, known as Hitler's Bunker, remains clearly visible today and very much in play between the first and second fairways.

An extensive range of golfing accessories are also available including gloves, tees and golf balls - just in case you are unable to complete your round with a single ball!

The Complete Roofing Service

One of the most neglected areas of any house is the roof, yet it is also one of the most important. It keeps us dry and if properly insulated keeps us warm during those long winter months, however, high winds, age and nature are bound to have an influence on the life of the roof.

Your roof should be periodically checked, particularly after stormy weather, also if you have just moved into your property, it would be wise to call in a specialist roofer and ask them to carry out a survey.

A J Donald Slaters have over 25 years experience of working in Aberdeen and the surrounding areas.

They are proud to boast that the business provides a thorough and professional service and are fully committed to total customer satisfaction.

The company guarantees completion of work to the highest standards of quality and in compliance with the most up-to-date Building and Health and Safety Regulations.

By working closely with each client and fully discussing and documenting their exact requirements, they are able to agree the cost and timescales in advance of starting any given job.

Their teams of qualified personnel are available to provide free surveys and no-obligation quotes. Their work provides a cost-effective solution for all your roofing needs.

If you have a concern about your roof, the business will be more than happy to carry out a full inspection. Fixing a potential problem now can save you thousands of pounds in the future.

Finding a well established, reliable roofing company need not be a problem. All you have to do is contact A J Donald Slaters.

A WARM WELCOME AWAITS

Nicci, the keeper of aunty betty's secrets says "with feet firmly planted apart, standing on the close-cropped greens of Stonehaven Golf Course, the sloping greens remind me of my mum's birthday cake icing on a Victoria sponge".

A magical view of the waves rolling into the bay holds your interest for a sweet moment.

Walking down the road, the neat and orderly caravans speak of summer holidays and makes you smile, as does the steam rising off the open air pool.

The beach apartment is quite unnoticed, look above aunty betty's canopies. If you have not booked this time, the girls in aunty betty's will happily show off their hidden secret, should the apartment be free.

There is space, warmth and comfort. A private indulgence for two or a shared pleasure for four. This particular apartment offers a captivating view whatever the weather.

Having been allowed to share the secrets of Stonehaven Bay living above a sweetie shop. Nicci implores you to look to the skies, see the moon reflected on the waves, the stars twinkling and the thought of relaxing all before you.
