

THE PERFECT MARQUEE SOLUTION

If you are looking for a business to create the perfect venue, your first port of call should be Vicarage Marquees. They have over 20 years experience and specialise in providing high quality marquees and all the necessary equipment for weddings, corporate functions, parties and events of any size.

Based in Essex and operating throughout London and South East England, whether it be for a private or corporate event, Vicarage Marquees can advise on various stunning marquees to host your event.

Vicarage Marquees is a long standing member of the industries governing body MUTA, giving you confidence and peace of mind.

You will be surprised how elaborate a marquee can be made, whether it is a wedding or a party, they will be with you every step of the way. Vicarage Marquees can also be on hand during your event to help in managing staff and other services.

In addition they offer an event management service, which enables you to sit back, relax and let them take care of everything from flooring, decoration, lighting and heating, luxury toilets, generators and parking. Vicarage Marquees can even offer entertainment and catering packages.

If you are looking for a stunning wedding marquee, corporate marquee or the ultimate party marquee then Vicarage Marquees is the business to fulfil all your expectations.
