

KITCHENS AND BEDROOMS OF DISTINCTION

Many of us will choose to improve our surroundings when we move into our new home, whether this is the kitchen or bedroom. This being the case, it is recommended that you involve a reputable design and installation company.

Michael Bond Kitchens & Bedrooms have been installing bespoke kitchens and bedrooms for 33 years and all their work is carried out by time served professionals who take a great deal of pride in the quality of their work.

Their St Annes showroom has stunning working displays that range from traditional styles to the clean lines of contemporary fashion.

They produce designs which combine functionality with flair to give you a room you will be proud of. With kitchen units from premium German brand Rational and appliances from NEFF and Siemens you can be sure you are getting products of outstanding quality.

Utilising all their expertise and experience, they will guide you on your journey from your initial ideas through to a completed room.

Your budget will always be an important consideration and the business will do everything in their power to ensure you realise your dreams at a price you can afford.

If you are looking for a well-established and reliable design and installation company with hundreds of satisfied local customers, you should call Michael Bond Kitchens & Bedrooms.
